

Pray Daily for God's Help in America...

Lord, I humbly confess, repent and ask You to Forgive my sins as well as America's many sins. Please, hear my heartfelt, even desperate, plea for National Renewal. You are our only Hope and Help in times of such Great Trouble...

Please, revive Your people, your churches, to Holiness and deep Spiritual Strength, so all preachers will once again be faithful teachers of the whole counsel of Your Word. Lead them to preach not only the Gospel but to find the courage* to preach about what is Biblically wrong in our culture, to boldly name and explain each specific sin, about Good & Evil, Heaven & Hell.

Call and Empower a Holy Spirit-filled man to ignite another "Great Spiritual Awakening" from Coast to Coast in America. As You know, O God, many Americans have turned away from You. We pray You will powerfully stir ALL Americans to give their hearts to You, our Lord Jesus Christ, so we may worship and serve You again in Beauty and Truth as our Lord God Almighty!

Most thinking Americans yearn for America to be Restored to her Founding Principles of Faith in You and Freedom for individual Moral Endeavor. Please, give us Godly men and women in elected and appointed office who will help You Restore us to Righteousness at all levels of government across all of America! Please help us find Godly candidates for office who will work to see America return to that greatness – for Your Glory! ...and our Peace. Help them counter, save, or imprison those intent on destroying America. Please, Deliver us from Evil!

Make us all Bold to share the Redeeming Grace of the Good News of Jesus Christ in a winsome way with more people, especially with our government officials, including Judges and members of School Boards. And help us followers of Jesus live Righteous Lives in the face of Enticing Temptations.

Lord God, in all these things we desperately need Your help. We have made a mess of it and are pleading for You to help us get it right again, to the Praise of Your Glory and for Your eternal Peace in our Hearts... Amen!

"What Joy for the nation whose God is the Lord, whose people He has chosen as His inheritance."

Psalm 33:12

*SCOTUS...

...in 1962/3 took prayer out of schools.	Most Churches were silent!
...in 1973 declared Aborticide legal.	Most Churches were silent!
...in 2015 declared same sex marriage legal.	Most Churches were silent!

Too many Churches in America have been SILENT for over sixty years about SIN; they believe they're not to become involved in the Culture or in Politics. Look where that un-Biblical Inactivity has taken America.... I remember the identical problem with Churches in Germany in the 1930's during the 3rd Reich of Nazi Germany.

Note: *To carry it in your wallet, simply close crop it around all four edges, above the asterisks. Then fold it in half, top to bottom, print side out. Then fold that in thirds from right to left. Makes it an item about the size of a business card. You can pray it daily and refer to it when waiting somewhere. But Pray!*
