

Unless Hell is okay with you as your Destination when you Die, you may want to know how to get to Heaven!

It's one thing to know the **proven** history that Jesus*, out of His great Love for you and me, **voluntarily died** to pay the penalty for all our sins (yours & mine) on the Cross at Calvary near Jerusalem – and then **rose alive** from the dead (history records **He was seen alive again** by hundreds of people).

It's quite another thing to know **you must accept that gift of salvation**. You do that simply by admitting to Him you are a sinner (we all are) and are sorry, perhaps even ashamed, about your sin. So you humbly ask Him to forgive you and ask Him to be your Savior – and your Lord.

You will want to **follow Him closely** as you discover more about His loving but narrow way by reading your Bible, praying to Him daily, and by meeting with other followers of Jesus – at a Christ honoring and Bible teaching Church! Here are some scriptures to help anchor your understanding: John 3:16,17. John 14:6,21. Romans 10:9,10. *John 10:30.

So now – what's your choice for Eternity?

The Joy of Heaven with Christ Jesus and all His Followers? *or*
The Horror of Hell with Satan, his Demons and other Lost Souls?

Two ideas:

- 1. If you close-crop this leaving only about an eighth inch around each of the four edges, you can fold it right to left in thirds and it will be the size of a business card. I use it with my business (witnessing) card inside the folds and leave it with my paid bill at most restaurants. I also give it to others with whom I may be talking in a store. I carry several of them in my wallet just so they are handy when I want to leave a witness.*
- 2. Go ahead and send it to others on your email address list. Who knows, we may get a real nationwide witnessing "thing" going with this.*
